

MSC - FISHERY CERTIFICATE

Certificate No.:
MSC-F-31198

Initial date:
13 August 2015

Valid until:
13 February 2021 – 13 February 2026

This is to certify that the Fishery operations of

Greenland lumpfish fishery

Client: Sustainable Fisheries Greenland

Address: c/o Jens Kreutzmann Aq. 7, 3900 Nuuk, Greenland

has been found to comply with the requirements of

MSC Fisheries Standard and Guidance v2.01

The certified fishery has the right to claim the fishery is a "Well Managed and Sustainable Fishery", in accordance with the MSC's Principles and Criteria for Sustainable Fishing. Further claims made about the fishery shall be in accordance with rules established by MSC.

This certificate is valid for the following Scope:

Greenland lumpfish (*Cyclopterus lumpus*) targeted in West Greenland waters, NAFO 1A-1F (FAO area 21) using gillnet as harvest method.

Parties entitled to use the certificate to enter fish from the certified fishery into certified chains of custody are all fishermen holding a Greenland lumpfish fishing license and landing the catch to processors in Greenland that are current members of Sustainable Fisheries Greenland according to the latest list published on the MSC website.

MSC Chain of Custody certification will commence from the point of landing/at point of sale; and land-based processing sites must have separate Chain of Custody certification.

For detailed scope refer to the Public Certification Report available for download at MSC website: <https://fisheries.msc.org/en/fisheries/>

Place and date:
Vimercate, 23 May 2022
